Caterpillar C175-16 Diesel Generator Set

3,000 kW Standby | 277/480 V | 60 Hz | Sound Attenuated Enclosure with Sub-base Fuel Tank

Section 1 General Information, Clarifications, Air Permit Statement, Bill of Materials, Production Cycles, Rigging, Start-up and Test Forms

Section 2 Package Technical Data: C175 3,000 kW Brochure, Engine Performance, Generator Cutsheet and Technical Data, Regulator, Governor, Control Panel

Section 3 Generator Accessories: Circuit Breaker, Vibration Isolators, Space Heater, Annunciator, Safety Shutdown, Batteries, Jacket Water Heater, Warranty

Section 4 Drawings: Generator, Radiator, Electrical Interconnect, Control Terminals

Section 5 Enclosure Drawings: Index, Cover, General Notes, Mechanical, Electrical, Cam Lock Box and Customer Connection

Section 6 Enclosure Cutsheets: Fuel Level Devices, Overfill Prevention, Insulation, Cable Tray, Lighting, Receptacles, Heater, Battery Charger, Panels, Transformer

Section 7 EPMS Points

All above and below available on request (536 pages)

SUBJECT

SECTION 1 - GENERAL INFORMATION

Specification Clarifications
Air Permit Statement
Bill of Materials
Estimated Production Cycles
Generator Dimensions and Weights
Contractor Installation Requirements
Pre-Start-up Evaluation Form (Installing Contractor)
Check Test and Start-up Form
Load Test Report Form
Operation and Maintenance Training Form

SECTION 2 - PACKAGE TECHNICAL DATA

Caterpillar C175 3,000kW Package Brochure
Engine Specific Performance Data
Generator Cutsheet
Generator Specific Technical Data
Voltage Regulator
Governor
Control Panel

SECTION 3 - GENERATOR ACCESSORIES CUTSHEETS

Circuit Breaker
Vibration Isolators
Generator Space Heater
Annunciator
Safety Indication and/or Shutdown
Batteries
Jacket Water Heater
Warranty

SECTION 4 - DRAWINGS

Generator Drawings
Radiator
Electrical Interconnect Control Terminals

SECTION 5 - Enclosure Drawings

Index
Cover Page
General Notes
Mechanical Drawings
Electrical Drawings
A Cam Lock Box/ Customer Connection

SECTION 6 - ENCLOSURE CUTSHEETS

Multi Point Float Switch
Mechanical Fuel Gauge
Continuous Float Level Sensor
Overfill Prevention Valve
High Temperature Insulation
Cable Tray
Interior Lighting
Light Switch
Interior Receptacles
Exterior Lighting
Space Heater
Exit Sign
120/208V and 480V Panels
Power Distribution Block for Batteries
Battery Charger
Best Battery Selector
Transformer

SECTION 8 - EPMS POINTS

EPMS Points
